All members need to have purchased their memberships prior to May 15 th and remain in good monetary standing throughout the season. All horse rider combinations must attend a minimum of two shows in their desired division to be considered for year end awards, the best two shows of the year will count. Only the same horse/rider combination will count for awards, sportsmanship and good etiquette at shows will be taken into consideration by the committee. For members to be considered for the Super Horse Division, the horse/rider combination must compete in all three divisions to be considered for the award.

\*In hand horses will not be allowed to compete for year end awards as they are eligible for trifectas at both spring summer shows.

\*Halter will not count towards year end awards as it has its own separate awards at both spring and summer shows.

\*No Stake Classes or Classes with added money will count towards year end award standings

\*Horses competing in the Ranch Division and are using the "Ranch Show" for points: please note only their "Non-Pro" classes OR their "Open" classes will count towards the adult 19 and over section, not both!

\*\* Only horse/rider combinations that qualify for Hipoint and follow the Hipoint rules at each show they attend throughout the season will have their points counted to year end awards. Example: you don't have to win Hipoint at the Dash to Summer Show, but you must follow the rules for Hipoint and be qualified for it.\*\*
